SUPERVISOR JOHNSON TO HOST “OUR MILWAUKEE COUNTY” SESSION APRIL 16

Listening Session on County Government to be Held at DNR Office on North Ave.

(MILWAUKEE) – Milwaukee County Supervisor Willie Johnson Jr. will hold an “OUR Milwaukee County” listening session at 6 p.m. April 16 at the Department of Natural Resources offices at 2300 Dr. Martin Luther King, Jr. Drive.

The listening session is part of the “OUR Milwaukee County” campaign, during which Milwaukee County Supervisors are holding listening sessions to discuss proposed changes in County governance.

“These listening sessions are designed to give our constituents a voice on County reform and other issues,” Johnson said. “While the state is considering the imposition of Board reforms, our constituents want to make themselves heard on the issue, and I want to hear them.”

“The Legislature is considering two bills that would strip the board of its ability to govern effectively, and they’re doing it without local input,” Johnson said. “I invite everyone from the 13th District to join me in discussing this and other important issues.”

County Board Chairwoman Marina Dimitrijevic is also scheduled to attend the event.
